

# CHESTERFIELD TECHNICAL CENTER

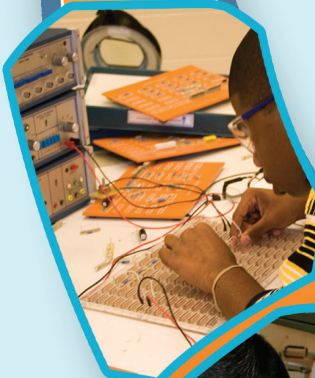

Your Career Connection

## We provide "work ready" high school graduates who have:

- Industry certifications or Virginia professional licenses
- College credit from John Tyler Community College
- Work experience through internships, clinical sites and apprenticeships
- Workplace skills: interviewing, communications, resume writing, team building, customer service training, etc.

## We are looking for area employers to partner with us, offering:

- Employment opportunities – full-time and part-time
- Internships, clinical sites and apprenticeship opportunities
- Serve on CTC course-specific advisory committees
- Scholarships for talented students
- Host career trips and/or be a guest speaker

## Current Business Partners Preparing Our Future Workforce:

- Automotive Dealerships and Collision Shops
- Biotechnology Firms
- Colleges
- Information Technology Companies (IT)
- Dental Practices
- Electrical Companies
- Engineering Firms
- Floral and Greenhouse Businesses
- Hair & Nail Salons and Spas
- Hospitals
- Landscaping Companies
